

Plexa Bed

Product Code: 7-PLEXA

The Alrick Plexa Series Bed is designed to provide safe and comfortable sleeping arrangements for individuals with complex needs. This bed includes full-length, drop down rails to provide security, featuring a locking system, ensuring the rails stay in place while the user is sleeping.

An additional feature is the height adjustment making transfers in and out of bed easy. It is designed with a durable frame and available in various sizes from Single Width to Double Width to accommodate the user's needs.

Full-length, Drop Down rails to provide security, featuring a locking system for additional safety.

Customisable colours and styles to suit the users or carers needs or room aesthetics.

Floorline model with a low height of 150mm to prevent risk of fall injury.
