Adjustable Bed

Function Style Support

◀ Chesterfield Headboard

Supporting the modern, independent lifestyle.

The LUXE Adjustable bed embodies style, function and comfort. Multi-positional settings, invigorating massage and USB connectivity allow you to unwind and recharge.

- Life just became a little more LUXE.

Features

- **Massage:** Relaxing vibration modes for personalised neck, shoulder and back relief.
- **Personalised Positioning:** Hand control allows users to find their perfect position to maximise comfort and relaxation.
- **Night Assist:** Luminous underbed halo for safe entry and exit throughout the night.
- **Box-on-Box Design** facilitates easier entry and exit and allows true flush positioning of beds in companion or dual adjustable bed configurations.
- **USB Charge:** Connect and charge your devices conveniently.
- **German Engineered Motors** for smooth, quiet adjustment.

Functions

Hi-Lo: Assists with bed entry and exit by raising the mattress surface to the ideal height.

Head Tilt: Relaxes neck muscles, providing optimal support whilst reading or watching TV.

Back Raise: Improves postural support and can ease symptoms of reflux, respiratory conditions, snoring and sleep apnoea.

Leg Raise: Promotes circulation, relieving tired, swollen and/or painful limbs.

Zero Gravity: Helps to relax the circulatory system and muscles of the lower back.

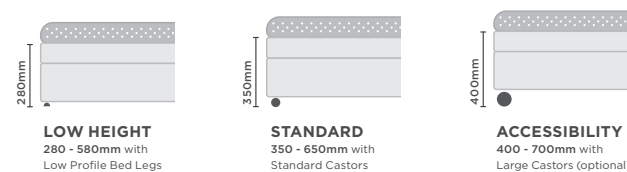

Memory Function: Allows the user to set and return to their preferred positions at any time with one click of a button.

Care

Adjustable Bed

Function Style Support

◀ Allure Headboard

Functions

Hi-Lo Functionality: Assists with manual handling and helps to mitigate fall risks.

Back Raise: Improves postural support and can ease symptoms of reflux, respiratory conditions, snoring and sleep apnoea.

Clinical Positioning: One touch raises back and legs to alleviate cardiac exertion, improving resting comfort.

Leg Raise: Promotes circulation, relieving tired, swollen or painful limbs.

Zero Gravity: Helps to relax the circulatory system and muscles of the lower back.

Seated Position: Assists with bed entry and exit and upright dining.

Trendelenburg (and Reverse): Can assist care givers when repositioning a user*.

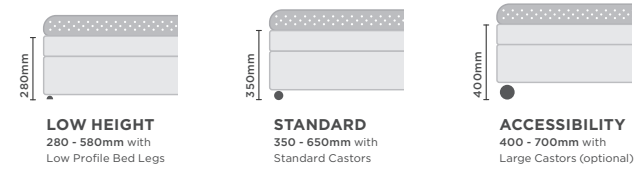

*Carers should seek advice from a trained Allied Health professional for correct manual handling techniques.

Upholstery

Portobello Grey

Variable Bed Height Options

For comfort you deserve.

The CARE Adjustable bed blends seamlessly into the home without compromising on the therapeutic needs of the user or safety of partners or carers. Select from multiple position options designed to maximise independent mobility and improve sleep quality.

- Make life easier with a ComfiMotion CARE bed.

Features

- **Night Assist:** Luminous underbed halo for safe entry and exit throughout the night.
- **Press and Hold Safety Handset:** Intuitive, large button interface enhances usability.
- **Enclosed Frame Design:** Ensures optimal positioning when getting into bed and safely covers the moving base platform.
- **Safe-Lowering Technology:** Ensures that back, leg and Hi-Lo functions only lower under the force of gravity reducing potential for accidents or injuries.
- **Box-on-Box Design** facilitates easier entry and exit and allows true flush positioning of beds in companion or dual adjustable bed configurations.
- **German Engineered Motors** for smooth, quiet adjustment.

Function Style Support

Pocket Spring

The ComfiMotion Pocket Spring mattress offers zoned support springs that respond and contour to the individual body shape to improve comfort, maximising support and sleep quality.

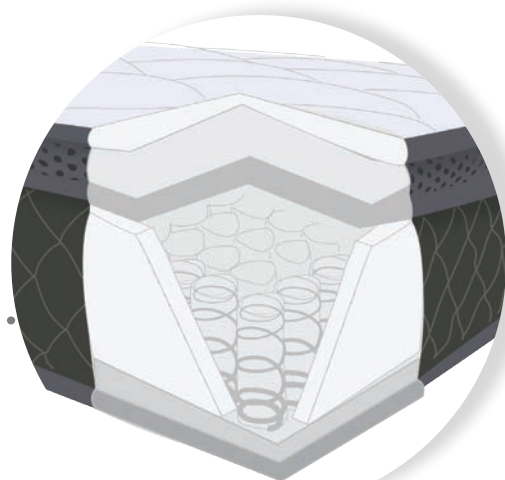

Transitional Layered Pocket Springs arranged in weight activated support zones.

Integrated Side-walls create roll resistance at the bed edge and provide extra rigidity to ease bed entry and exit.

Luxuriously Soft Pillowtop Layer provides a plush immersive feeling complimented by the responsive pocket springs.

Our ComfiMotion Pocket Spring and Memory Foam mattresses are designed with the flexibility to follow the contouring profile of an adjustable bed.

Memory Foam

The ComfiMotion Memory Foam mattress contours to the users body, providing personalised comfort and transitional pressure relief. Integrated side-walls increase roll resistance at the bed edge and assist users, partners or carers with extra rigidity to ease bed entry and exit.

Contoured Immersion: Specially layered memory foam provides contoured immersion for support and pressure relief.

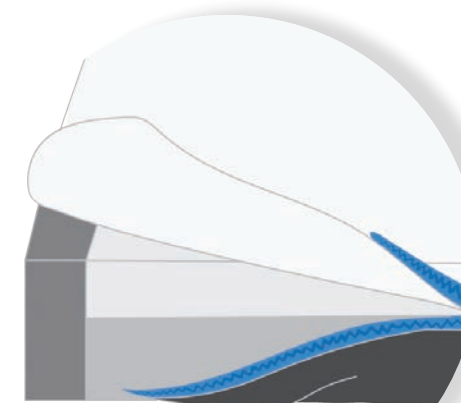

Superior Breathability: Up to 8x more breathable than conventional memory foams.

Anti-microbial: Environmentally safe treatment is added to the foam which reduces odours and kills 99.9% of bacteria.

Eco-friendly GECA Foam is produced using cleaner chemicals and production technology.

 **Fixed Companion (LS)** BEB046800

 **CARE (KS)** BEB046730

 **LUXE (KS)** BEB046710

Dual Adjustable Beds

Designed to sit flush when positioned together to enable close monitoring and enhanced care. This configuration offers the flexibility of independent adjustability, without compromising on the sense of inclusivity and intimacy between partners.

Fixed Companion Bed

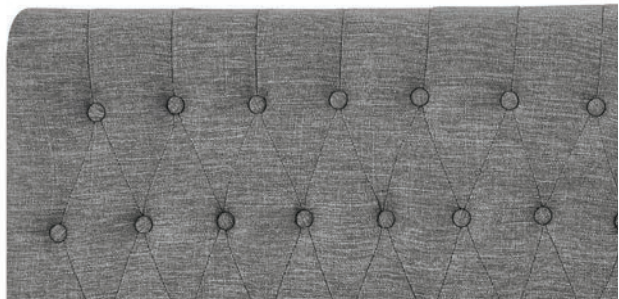

Matching single bed without any adjustability designed to sit flush when positioned together. It facilitates a side-by-side sleeping arrangement at a fixed height of 370mm, without compromising on the users care and assistance requirements.

Clinical Considerations

Accessibility and Inclusivity: Unexposed bed surround with padded upholstery removes gaps between beds in co-sleeping arrangements as well as promotes safe entry and exit.

User Independence: Height adjustability improves user mobility and assists carers with manual handling.

Flexible Positioning: Caters to various user requirements such as respiratory conditions, snoring, sleep apnoea, pressure redistribution, joint or muscle pain, lymph oedema and swelling.

Vision and Hand Function: Handset with a clear and intuitive button display, assists users with reduced vision or hand function.

Fall Prevention: Integrated lighting and a minimum bed height of 280mm helps to reduce the likelihood and severity of falls in the home.

User Safety: Battery backup (optionally available) provides peace of mind in the event of a power outage.
