SOCIALITE WHEELCHAIR

Arrive in style

Doability is an ultra light weight transport chair perfect for short trips and outings with friends. The generous 115kg safe working load caters to a broad range of users.

Padded and breathable seat and back provide optimum comfort and postural support. Cut away arms improve table access and the offset uprights create hip space for coats and warmer clothing.

A photograph showing an elderly man with white hair sitting in a red Socialite wheelchair. He is wearing a light blue and white checkered shirt and blue jeans. A woman in a dark jacket is pushing the wheelchair from behind. In the background, a woman in a blue patterned shirt and grey pants is standing and talking to the man. The setting appears to be a kitchen or a dining area with a white brick wall and a stainless steel oven. A blue circular graphic with white text is overlaid on the right side of the image.
