

Molift Smart 150

Light, foldable and transportable.

Molift Smart 150 is designed to be easily wheeled and transported to where it is required. It is designed for home care, travelling and easy storage.

The Molift Smart 150 is foldable in one piece without using any tools, and has been awarded for Design Excellence by the Norwegian Design Council.

 Place inside the **Molift Travel Suitcase** for easy storage and transportation.

Features

The Molift features a large hoisting range of 27–168 cm which facilitates hoisting from the floor.

Accessories

Small Footprint

The small footprint makes it easy to manoeuvre in narrow spaces.

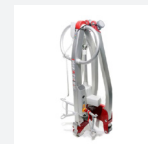

4-Point Sling Bar

Ensures a comfortable hoisting position for the user.

Foldable Without Tools

Designed to be easy and convenient at home and to transport when travelling.

Easy to Transport

The compact design makes it possible to fit in the boot of a car.

+ 3 More

Designed for safety & convenience

Foldable without tools, and can fit in the boot of most cars.

Size	Max Weight	Hoist Range	Frame Footprint	Rated performance
1	150 kg	27-168 cm	120 x 66 cm	40 hoists at: 75 kg and 50 cm
